**Describe the project clearly and in detail. Please print or type.**

**We propose to remove the existing storm windows and double hung window sash and replace with new Weathershield or Marvin brand wooden, insulated glass, divided lite sash matching the existing window sash in every detail.**

**The owners are aware of the sensitive nature of this request but would like to proceed because of energy concerns as well as the overall condition and appearance of the existing storm windows and sashes. If the request is approved, the storm windows would be removed and discarded.**

### Ultimate Insert Double Hung Windows

- With the Ultimate Insert Double Hung replacement window, there's no need to take out the existing window frame. Exterior casing and interior trim remain undisturbed by the replacement process.
- Tilt or remove the sash for easy cleaning.
- The Wood Ultimate Insert Double Hung is designed to meet historic design criteria.
- The Clad Ultimate Insert Double Hung has a wood interior and low maintenance, extruded aluminum-clad exterior.

### Standard Features

- Bare wood interior
- Satin Taupe sash lock
- One-lite Low E II with argon insulating glass
- 3 1/4" (82.5 mm) jambs (clad only)
- 4 9/16" (116 mm) jambs (wood only)
- 8° sill bevel
- All wood exterior (wood only)
- Extruded aluminum clad exterior (clad only)
- Full screen
- Prepped for jamb installation
- Installation hardware
- One-handed tilt-in operation for easy cleaning
